The Moon

By Indigo Paul

The following lines, totalling 100 words, may be allocated to as many or as few actors as the director wishes, with any line available to any actor.

If you'd told me a year ago we'd all be here like this I'd have laughed in your face.

Not laughed.

Snorted.

The cat seems happy.

Not the happiest.

[There's always room for improvement.]

But happier than before.

How can you tell?

The flick of the tail.

The twitch of an ear.

It all looks the same.

It's not.

I'm happier.

Than before [?/.]

Yeah.

I'm happier than before.

But also sadder [?/.]

Who's not?

It's still terrible, a life trapped.

What life isn't? Name one.

Can't.

But what about one that's not glorious?

I can't.

Look at that Moon.
